  - b) my marital status changes
  - c) my address changes.
4. Failure to provide notification results in the loss of funding. Services already rendered will be subject to immediate repayment, beginning at that point in time when the notification should have been provided.
5. No legal claim exists to the grant of financial aid from this emergency fund. This is the case even if financial aid has been provided in the past.
6. A repayment of granted aid depending on resources is desirable, so that future foreign students in need can also be supported by the Notfonds. If you do so, please use the following bank account:

7. I am aware that personal information provided in this application will be gathered, filed and cross-checked by the agencies involved in implementing the program of the ecumenical emergency fund. They include Bread for the World – Protestant Development Service, financing the program, 17 regional administrations (regional diaconal offices and churches) and local support offices and services provided by ESG. This data collection is necessary in order to prevent multiple simultaneous applications by a single applicant and to ensure the appropriate use of this fund's resources.
8. I am aware that I have to prove engagement within development education if I apply for financial aid from this emergency fund multiple times. This is possible through participation in STUBE seminars.
